## Capabilities Statement

**Envision Now, LLC**, a WOSB and SBA Certified 8(a) company, established in 2015, our services encompass office and laboratory relocation, management, transportation, logistics and warehouse services. Our experienced team helps clients achieve quantifiable cost and productivity efficiencies through flexible solutions.

### SBA All Small Mentor-Protégé Program (ASMPP)

Our participation in the Small Business Administration's ASMPP provides federal buyers with increased industrial capacity and expanded solutions from 8(a), and WOSB providers and suppliers. It's also your assurance that we have the strength and resources to handle any job, regardless of its size or complexity.

### Our Management Consulting Approach

Our consultative focus on key details of your requirements leads to greater cost and productivity efficiencies at each level. By incorporating industry best practices into the process and implementing proven strategies, we deliver superior outcomes and better serve our end-users.

## RECENT PROJECTS

### The National Institutes of Allergies and Infectious Disease (NIAID)

Envision provides technical expertise and physical move support services to include pre-move planning, estimating, scheduling, and coordination. Disconnection and reconnection for moving, set up, and adjustment/calibration of scientific equipment, phone equipment, fax machines, printers, office furniture and equipment. Moving logistics for personnel, which include transport, inventory and packing and unpacking services. Management and provision of temporary storage and staging of furniture, equipment, and other items awaiting move destinations, and inventorying stored items to coordinate with reuse activities. Comprehensive spreadsheets and reports, inventories to accurately account for the history of each relocation. Warehouse management of three (3) warehouses on and off campus.
