

CAPABILITIES STATEMENT

Envision Now, LLC is a Women-Owned Small Business (WOSB) and SBA 8(a) certified firm founded in 2015, specializing in **Move & Relocation Services, Facility Maintenance, Warehousing & Logistic Management, 24/7 Emergency Services and Construction Project Execution**. We execute every project with a focus on operational efficiency, risk reduction, and measurable results.

We leverage proven processes and technical expertise to deliver projects of any size or complexity. Supporting both federal and commercial clients, our structured approach, built on detailed planning, secure handling and quality control ensures minimal disruption, protected assets and seamless accountable performance from start to finish.

SUMMARY OF SERVICES

Relocation & Move Services

Expertise in safely and efficiently moving delicate instruments and complex setups in commercial, laboratory, and office environments.

Warehousing & Logistics Management

Warehousing and distribution solutions focused on efficiency, accuracy, and on-time delivery.

Facility Maintenance

Provide routine, preventive, and emergency maintenance to ensure facility performance, with reliable, full-service repairs and renovations.

Logistics & Distribution

Coordinate logistics and distribution for timely, cost-effective movement of goods, optimizing delivery processes.

Small Projects and Project Management

Minor construction and renovations, including space reconfiguration and upgrades, delivered with efficient coordination, minimal disruption
